

ActionTracker

Remember every visit, every time.

ActionTracker is a great tool for recording and remembering store visits. By simply emailing a photo with a note, every visit is stored in the cloud. Notes and photos can be viewed any time from any smartphone, tablet, or computer.

Submitting notes and photos

1

Address

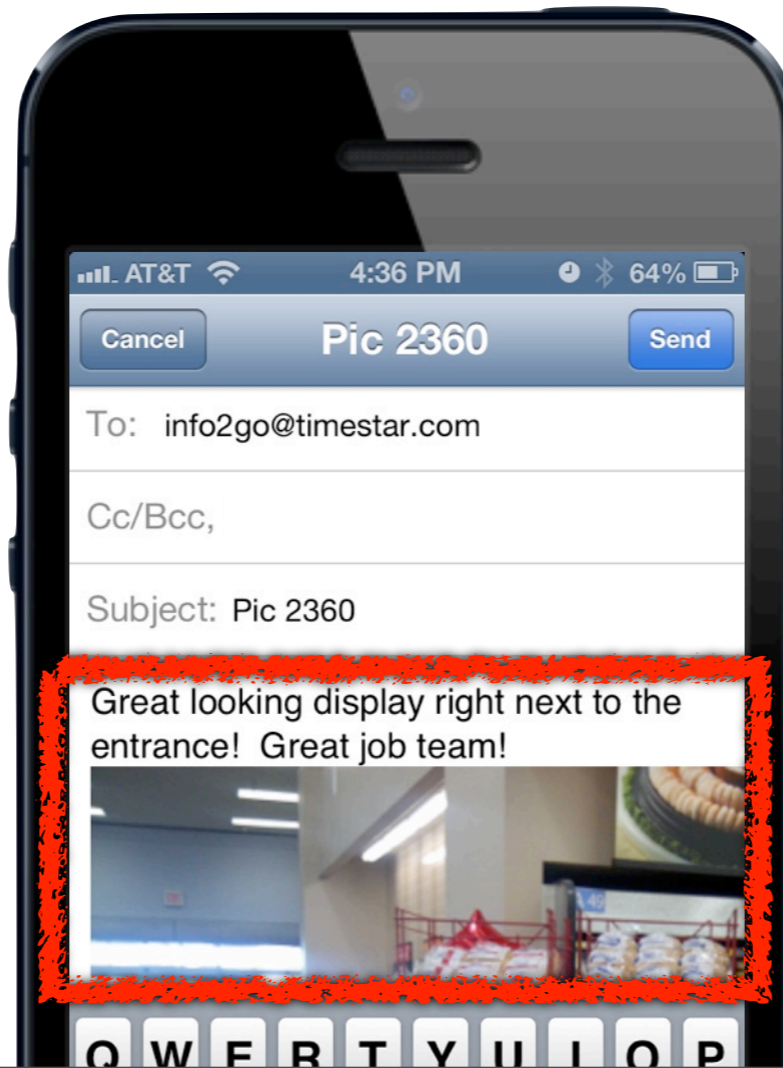

To: info2go@timestar.com
Subject: Your Store #

2

Compose

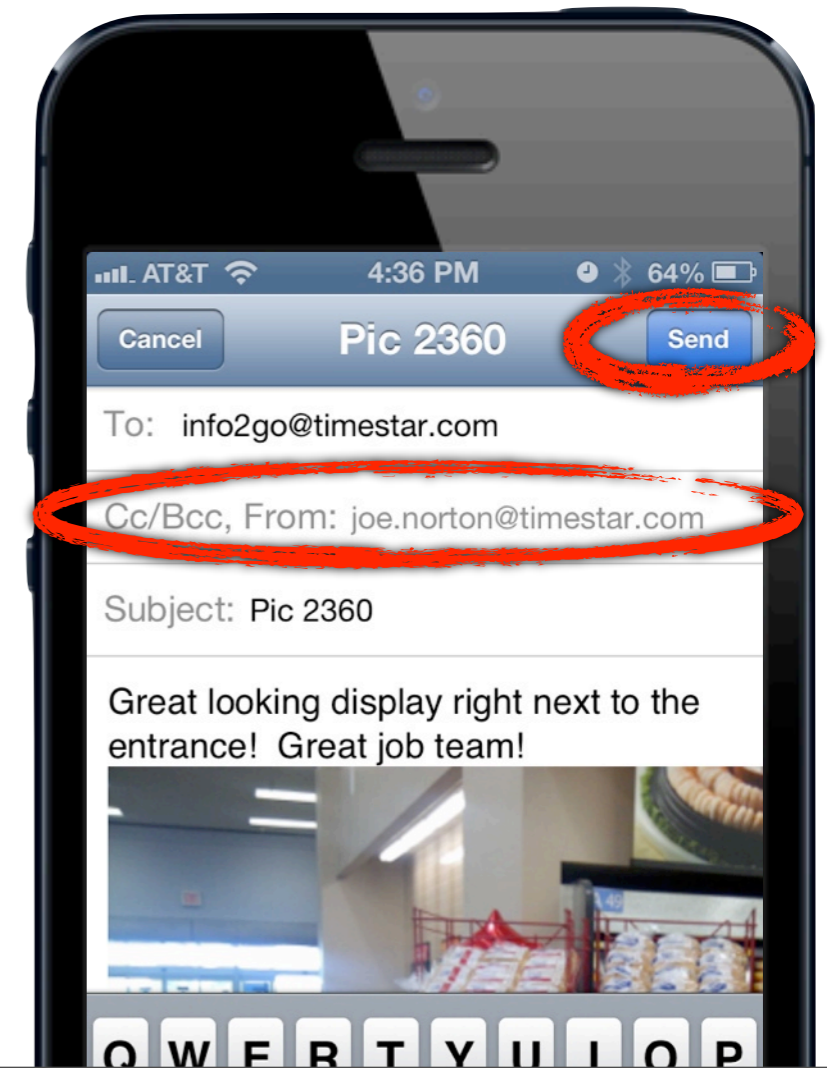

Add a note and photo
to body of email

3

Share

Send email to the cloud
& share it with others

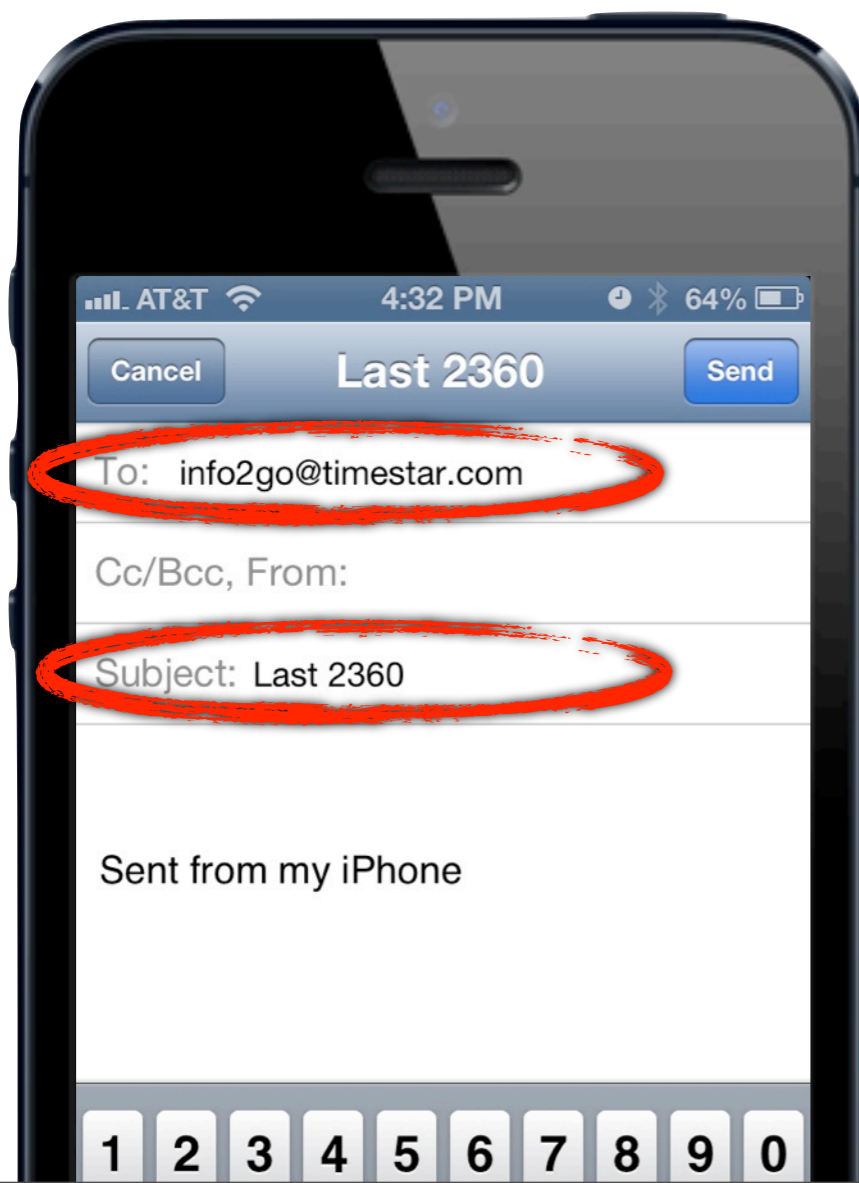

Viewing the previous store visit

1

Request

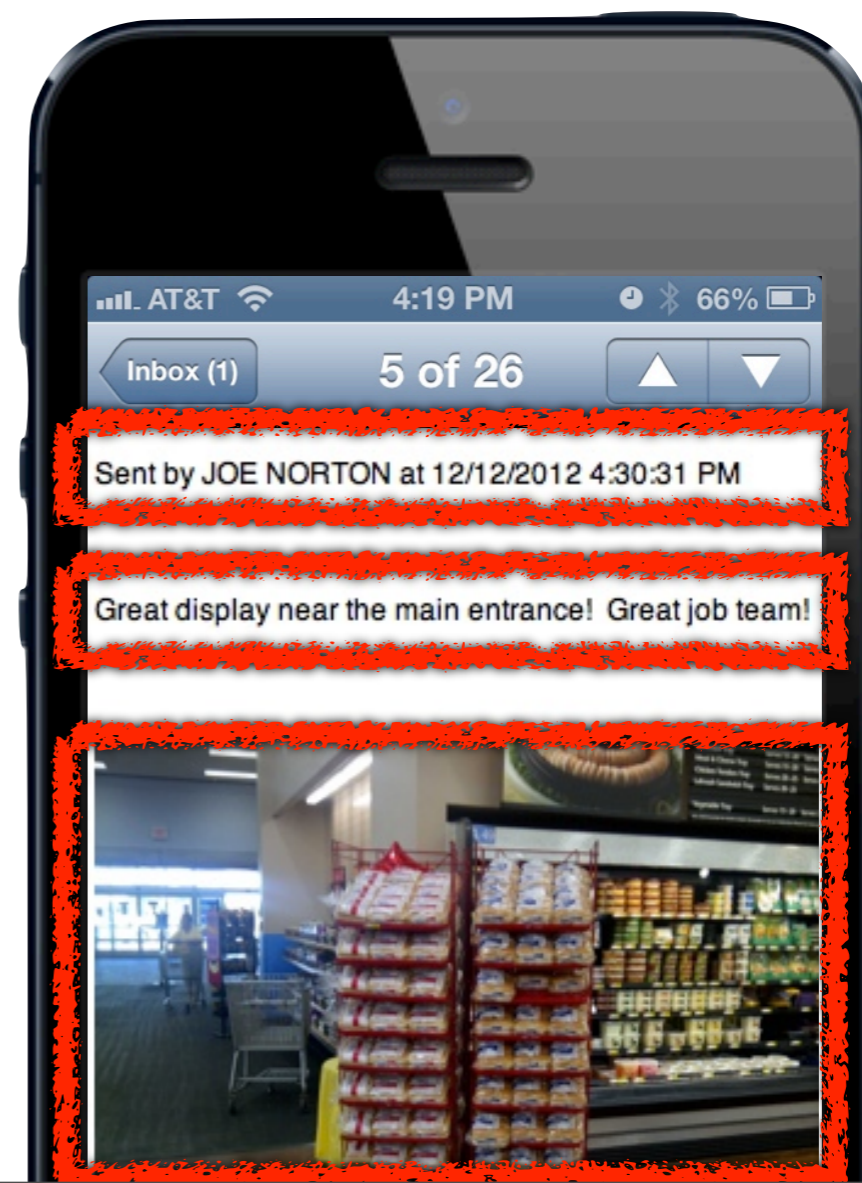

To: info2go@timestar.com
Subject: Last + A Store #

2

Remember

View Sender, Date, Notes,
and Photos!

End of Day Recap

An EOD Recap is sent at the end of each day displaying all of your notes and photos. It is delivered via email as a PowerPoint file.

Store Visit

Store Visit 2360

Photo

Note

Great display near the main entrance! Good job team!
